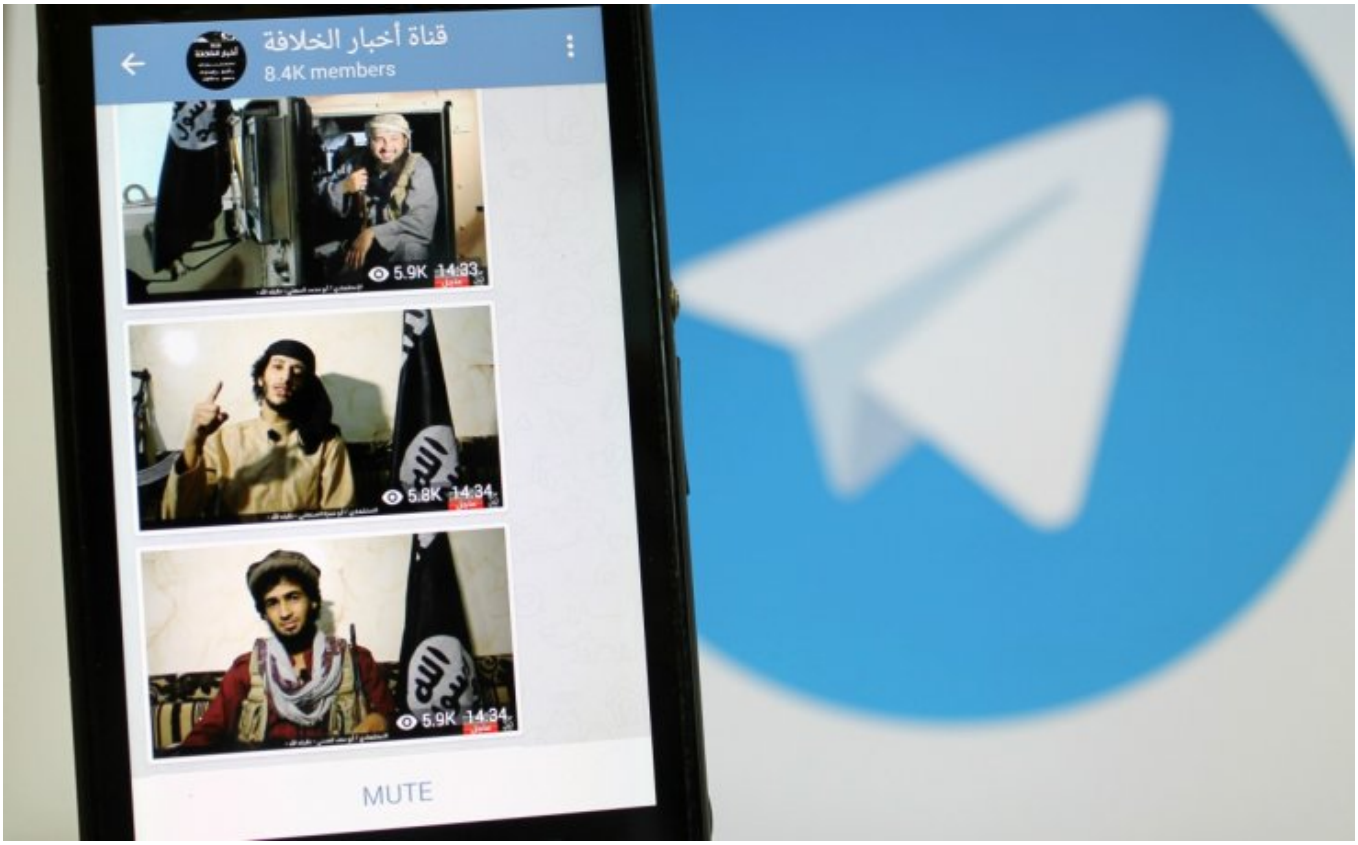
ISIS – The Only Concrete Example of Telegram Censorship?

tonyodarg.wordpress.com/2020/11/10/isis-telegram-censorship

Tony Odarg November 10, 2020



Telegram is one of the few networking sites that has engaged in little censorship. This is a good thing. The only concrete example of a ban from the platform that I could find is ISIS. And needless to say, I do not support their freedom of speech.
